Remarks

Applicants resubmit the Preliminary Amendment of November 8, 2004 so that a complete listing of all claims is now present. See Notice of Non-Compliant Amendment dated January 27, 2005. The prior submission inadvertently listed claims 67-75, rather than claims 1-75, as being canceled.

Since this is a Preliminary Amendment, no fee or extension of time is believed to be associated with this filing. Nonetheless, should the United States Patent and Trademark Office determine that an extension of time and/or fee is due, please treat this paper as a petition for such an extension and/or charge any fee to our Deposit Account No. 14-1140.

Entry of these amendments and prompt examination are respectfully requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
